

# MARC ALZAMORA

Junior Software Developer

## DETAILS

Palma de Mallorca, Spain

[manzcube@gmail.com](mailto:manzcube@gmail.com)

717147512

## PROFILE

Inquisitive Junior Software Developer with +2 years of creating hands-on web services and other software projects for myself and Freelance. Experience in full-stack applications. Primarily using React, Tailwindcss, Google Firebase, Express&Node, and MongoDB.

## EMPLOYMENT HISTORY

**Software Developer, Skualo, Palma**

FEBRUARY 2023 — APRIL 2023

Working on a Diving Center's website. Skualo, is the biggest Diving and Adventure activities center in Mallorca, located in Porto Cristo.

## EDUCATION

**Self Educated, Palma**

JUNE 2021 — PRESENT

Primarily self-taught with Google, Stack Overflow, GitHub, docs, forums, books, Udemy, and mentors.

I believe the main source of learning is curiosity, and all tools to learn are at our disposal on the Internet.

**Modern React with Redux , Udemy, Palma**

MARCH 2022 — MAY 2022

Udemy certification on proper and production-ready code with React and Redux.

**Web Developer Bootcamp , Udemy, Palma**

AUGUST 2021 — OCTOBER 2021

Started with a boot camp course in web development, learning the basics, and all sorts of features needed in full-stack applications.
